CHICAGO, ILLINOIS

Chicago, also known as Chicagoland or “the Windy City,” has a population of 27 million and is the 3rd most populated city in the U.S, only behind New York and Los Angeles. Chicago is known for its skyscrapers and famous architecture.

People from around the world visit to experience its cultural diversity as well as its fine dining and shopping on Michigan Avenue. There is another side to Chicago that many overlook: the homeless and people in poverty.

We are excited to be able to partner with the Pacific Garden Mission as well as several local churches to make a difference in this city.

There are various types of activities you will be involved in on each trip, such as, homeless outreach, kids-ministry, prayer walks, food and clothing distribution, service and work projects, adopt-a-block, worship, and much more. Our goal is to bring the Gospel of Jesus Christ to Chicago and give hope to the hurting!
