THAILAND, ASIA

Thailand is known for its stunning beaches, friendly people, and bustling outdoor food markets. You will always feel welcome here, and it is also a safe space to share your faith.

We are excited for the opportunity to make a difference in this country. Our primary focus will be ministering to the Hmong and Thai communities in the Nan Province. There is a great need to spread the Gospel here because less than 2% of the population claim to be Christians. Many people in this area are struggling and are in poverty. The goal is to encourage and equip the local church in the work God is doing through them.

During the week the team will be located in the Nan Province and Chiang Mai. We will be hosting a sports camp as well as leading kids ministry programs. During the weekend, the team will be ministering to remote Hmong villages.

Our goal is to bring the Gospel of Jesus Christ to Thailand and give hope to the hurting!
