MADISON, WISCONSIN

MADISON has been voted one of the best places to live in America. It is a University Town as well as operating as the Capitol of Wisconsin. It has many attractions that appeal to so many people but there is another side to Madison that is often overlooked.

There is a significant number of people who struggle financially and who are in need of help. We have the privilege of partnering with ministries in Madison such as the Beacon which supplies food and clothing to people who are experiencing financial difficulties.

This is a great ministry opportunity where you can have a great impact and bring hope to the hurting and make a difference in people's lives. There are various types of activities you will be involved in on each trip, such as homeless outreach, kids ministry, prayer walks, food and clothing distribution, service and work projects, adopt a block, worship, and much more.

Our goal is to bring the Gospel of Jesus Christ to MADISON and give hope to the hurting!
