APPALACHIA MOUNTAINS

The people who live in the Appalachian Mountains are some of the poorest in the nation. Local churches and ministries have focused their efforts on helping those in their community who are in need with both physical and spiritual support. It is a privilege to join with them in what the Lord is doing there! They have designed a variety of serving opportunities so that our teams get to make the most impact. A wide range of ministries that we may experience are work projects, block parties, homeless outreaches, prayer walks, personal evangelism, worship, community impact events and team-devotions. Our goal is to bring the Gospel of Jesus Christ to Harlan, Kentucky and give hope to the hurting!
