WHY KENYA, AFRICA?

We are excited about our opportunity to lead a short-term mission trip to Mombasa, Kenya. It will offer a valuable opportunity to fulfill the Great Commission by actively engaging with local ministries and children. By centering the mission trip around the Gospel, participants can share the message of love, hope, and salvation through their actions and words.

Overall, a short-term, Gospel-centered mission trip to Mombasa, Kenya offers a meaningful way to live out the Great Commission by being the hands and feet of Jesus in a community in need. Through partnership, service, and outreach, participants can make a difference and leave a lasting impact that transcends borders and cultures.

Welcome to Cutting Edge Missions!

We are excited to have you join our missions ministry and embark on this incredible journey together.

Our missions ministry is committed to changing lives, and you are now an integral part of that mission. Together, we will bring hope, healing and impact to those we meet. Your commitment and hard work will make a difference in the cities we visit.

Teamwork is crucial, and we value a strong sense of camaraderie within our mission trips. You will gain lifelong friendships and connections with other like-minded individuals who share our passion for spreading the Gospel!

Before we depart, please prepare physically and mentally for this journey. Familiarize yourself with the itinerary, research the culture and customs of the communities you're going to begin to pray for them.

Thank you for choosing to be a part of fulfilling the Great Commission! Together, we can make a lasting impact on those we connect with Christ.

We cannot wait to meet you! Please let us know if you have any questions or need any clarification.
